# Report of the Board of Education.

---

*To the inhabitants of the town of Danville.*

The Board of Education submit the following report of the schools under their charge for the school year ending March 1st, 1894.

## NORTH SCHOOL.

The school in this district was begun by Miss Eva G. Robinson of Fremont, but on account of ill health she was compelled to leave the school to her sister, Miss Abbie L. Robinson, for the remainder of the year. Miss Robinson is an active, energetic teacher, thoroughly interested in her work, and under her instruction the pupils made rapid and thorough advancement in their studies. She immediately won the love and respect of her pupils, thereby enabling her to maintain the best of order. At each of our visits the pupils recited in a manner creditable both to themselves and their teacher.

This is a working school and your committee are well pleased with the results.

## CENTRE SCHOOL.

The Centre School for the whole year was under the care of Miss Henrietta M. Peaslee, of this town, who has very successfully taught the school for several years. We have simply to say that Miss Peaslee has maintained her former reputation as an excellent teacher, and has given perfect satisfaction to every one.

## SOUTH SCHOOL, NO. 1.

This school for the Spring term was taught by Miss Hattie G. West, of Chelsea, Mass. Miss West possessed a good education and high moral character, but owing to an insufficient amount of experience the progress in the school was not as marked as could be desired. Miss Ida M. Chadbourn, of North Baldwin, Me.,

taught the Fall and Winter terms. This school, being the largest in numbers and composed entirely of small pupils, makes it a very hard school to govern, but she realized that by beginning right she would reap the best results. From the very beginning she won the respect and confidence of each pupil, interested them in their studies and good progress was made in the school.

SOUTH SCHOOL, NO. 2.

For the entire year this school has been under the instruction of Miss Lubella A. Sheldon, of Billerica, Mass. Miss Sheldon was a teacher of experience and therefore knew how to hold the attention of her scholars at all times. At regular intervals during the year she placed examinations before the pupils, many of them being difficult, and the way in which they were mastered was a credit to both teacher and pupils. In every respect she has been a successful teacher and has given satisfactory results.

For the past year we think the record of all our schools is a good one.

CHARLES H. SARGENT,	}	Board of Education.
